

What Now My Love

James Last

What now my love, now that youve left me
How can I live through another day
Watching my dreams turn to ashes
And my hopes turn to bits of clay

Once I could see, once I could feel
Now I am numb, Ive become unreal
I walk the night, without a goal
Stripped of my heart and my soul

What now my love, now that its over
I feel the world falling all around me
Here come the stars, tumbling around me
Theres the sky, where that sea should be

What now my love, now that youre gone
Id be a fool to go on and on
No one would care, no one would cry
If I should live if I should live or die

What now my love, now there is nothing
Only my last, my last good-bye
