

Nothing's Forever

Jamestown Story

So baby if we're going down
I don't wanna remember,
that I was there to watch us fall
and learn that nothing's forever

I, I can feel the distance,
your heart seems unsure
you put me through hell,
'cause lovin' you is a war

I hope to God that you're happy
I hope that you had fun
you get what you deserve,
when all is said and done

I don't know when, I don't know how,
but that was then and this is now

so baby if we're going down
I don't wanna remember,
that I was there to watch us fall
and learn that nothing's forever

and now, your secrets have come out,
you justified my doubts,
I gave you my trust,
put all my faith in us

It's bound to rain inside your eyes,
'cause honey you've been caught
as the guilt multiples take a bow,
are you proud?

Baby if we're going down
I don't wanna remember,
(I don't wanna remember)
that I was there to watch us fall
and learn that nothing's forever

(we just wasted away and it's killing me)

Yeah I don't want to lose it all,
I want get it together,
(I want get it together)
But i know it's gonna get much worse,
before it's gonna get better.

(we just wasted away and it's killing me
yeah, nothing's forever)

That was then, this is now,
I don't know when, I don't know how.
I don't know if I'll survive, but God i'll try,
yeah I'll try.

So baby we are going down,
and i'll always remember,

(and i'll always remember)
that I was there to watch us fall,
and learn that nothing's forever.

(we just wasted away and it's killing me
yeah, nothing's forever)
