

Too Close For Comfort

Jamie Cullum

Be wise, be fair, be sure, be there
Behave, beware

Be wise, be smart, behave, my heart
Don't upset your cart when she's so close
Be soft, be sweet, but be discreet
Don't go off your feet, she's too close for comfort

Too close, too close for comfort, no, not again
Too close, too close to know, just when to say, "When"

Be firm, be fair, be sure, beware
On your guard, take care, while there's such temptation

One thing leads to another
Too late to run for cover
Shes much too close for comfort

Be wise, be fair, be sure, be there

Put on your old thinking cap, boy
'Cause if you don't look out
You will find out that you are much too
You're too close for comfort

You'e heading for a mishap, boy
The first thing that you know
She will have you up that old tree
She's too close for comfort

Too close, so close
Too close

Be firm and be fair, be absolutely sure, beware
On your guard, take care, when theres such temptation

One thing leads to another
Too late to run for cover
Much too, too close for comfort now

One thing leads to another
Too late to run for cover
Much too, too close for comfort now

One thing
One thing leads to another
Much too, too close for comfort now

Be wise, be fair, be sure, be there
Behave, beware
Shes too close, too close for comfort now
