

# Baby Don't Cry

Jamie Foxx

Verse 1

(awwww baby), you are the sweetest  
Please may I step to you  
Girl I'm not being rude  
But I see you standing here all by yourself(oh wot the hell)  
Well did he break your heart  
Or girl did you grow apart  
Well if its anything to you  
I understand what you've been through  
chorus

Baby don't cry  
Baby don't loose your faith in love  
Cause even if you've been sad and blue  
My heart is here with you  
So baby don't cry  
Put a smile on you're face my love  
There is one thing you can't deny  
The sun will always shine

verse 2

Baby just understand  
That I'm not trying to dis you're man  
But he had to be a fool to let you go  
If its left up to me  
I'll be on my bended knees  
You'll be right by my side  
I'm wiping those tears from you're eyes  
chorus

Baby don't cry  
Baby don't loose your faith in love  
Cause even if you've been sad and blue  
My heart is here with you  
So baby don't cry  
Put a smile on you're face my love  
There is one thing you can't deny  
The sun will always shine

chorus

Baby don't cry  
Baby don't loose your faith in love  
Cause even if you've been sad and blue  
My heart is here with you  
So baby don't cry  
Put a smile on you're face my love  
There is one thing you can't deny  
The sun will always shine

bridge

Come and taste this love that I put there for you  
Baby let me know if it is done  
Let me in your heart and I will comfort you  
You won't have to cry won't have to shed a tear  
As long as my heart is here

chorus

Baby don't cry  
Baby don't loose your faith in love  
Cause even if you've been sad and blue  
My heart is here with you  
So baby don't cry

Put a smile on you're face my love  
There is one thing you can't deny  
The sun will always shine
