

## Every Bit Of Lovely

Jamie Grace

She's never been too popular  
She's never been an outsider  
She's about as average as they come  
Her family they ain't too strange  
They even get along most days  
There's nothing too crazy going on  
But sometimes she wonders  
If she's good enough  
Well girl if you're listening, listening  
Turn it up You're lovely, every bit of lovely  
Don't you know that you're God's original work of art, yes you are  
So don't ever let them tell you that you're less than wonderful  
Cause you're a one and only  
You're every little bit, every little bit of lovely Have you seen a lightning storm?  
And have you heard the oceans roar?  
Have you seen a newborn baby smile?  
Well, the same God who made all that  
He's the one who made your crazy laugh  
And every tiny quirk that makes you, you So if you wonder if you're good enough  
I know you're listening, yeah you're listening, so turn it up You're lovely, every bit of lovely  
Don't you know that you're God's original work of art, yes you are  
So don't ever let them tell you that you're less than wonderful  
Cause you're a one and only  
You're every little bit, every little bit of lovely This goes out to all my lovely girls  
Y'all be shining like diamonds all around the world  
From the west coast over to the east side  
Up north to the dirty south where I reside  
Them magazines telling you who to be  
Rocking them too tight tees, please, There's no need  
To be so revealing, no matter what you're feeling  
It's the beauty inside that's gonna last You're lovely, every bit of lovely  
Don't you know that you're God's original work of art, yes you are  
So don't ever let them tell you that you're less than wonderful  
Cause you're a one and only  
Yeah, You're every little bit, every little bit of lovely  
So don't ever let them tell you that you're less than wonderful  
You're a one and only  
Yeah you're every little bit, every little bit  
Don't you know it girl, don't you hear me girl, don't you see it girl
