

Holding On

Jamie Grace

[Verse 1:]

All the signs of life
They're all around me with every heartbeat
I feel so alive,
I am joy and sadness,
Peace and madness
If only I can fight just a little longer
I know It's gonna make me stronger

[Chorus:]

I just keep holding on to what I believe
Oh, I believe in you
Give me the strength to fight
And the heart to believe
When it's hard to believe in you

[Verse 2:]

Oh and these are the times when doubt's tryin' to creep in
And I need a reason that's larger than life when hope seems hard to find
If only I can fight just a little longer
I know it's gonna make me stronger

[Chorus:]

So I just keep holding on to what I believe
Oh, I believe in you
Give me the strength to fight
And a heart to believe
When it's hard to believe
I'll just keep holding on, holding on, holding on
Give me the strength to fight
And the heart to believe
When it's hard to believe in you
Oh oh oh oh oh
When it's hard to believe in you
Oh oh oh oh oh
Oh, I wanna believe

If only I can fight just a little longer
I know I'll be stronger

[Chorus:]

So I'll just keep holding on, holding on, holding on
I'll just keep holding on, holding on
I'll just keep holding on to what I believe
Oh, I believe in you
Give me the strength for the fight
And the heart to believe
Cause I've got to believe
I'll just keep holding on, holding on, holding on
Give me strength for the fight
And the heart to believe
'Cause I've got to believe in you
Oh oh oh oh oh
Yeah I've got to believe in you
Oh oh oh oh oh
Oh, yeah I feel so alive.
