

# Wonderful

Jamie Grace

He calls me wonderful  
He calls me love  
Sees past all that I've done  
Sees who I will become

Wonderful  
He calls me love  
Sees past all that I've done  
Sees who I will become

No mountain high  
That I could climb  
Could make Him love me more  
No valley low  
Could ever take the place of His love

'Cause He already loves me  
The most He could love  
Sent His Son to die for me  
Gave His life for me  
He already loves me  
The most He could love me  
And the least I could do  
Is love Him too  
Oh, oh  
Love Him too
