

Another Day

Jamie Lidell

Another day, another way
For me to open up to you

Another day, another way
For me to open up to you

I used to always... I would wake up all day
Only to find there's nothing more to say

Now I'm letting silence to the talking
Now I'm letting silence to the walking

Another day, another way
For me to open up to you

Another day, another way
For me to open up to you

I used to scream when a whisper would do
Only wanted yours, all over you

Now I'm letting silence to the talking
Now I'm letting silence to the walking

Another day, another way
For me to open up to you

Another day, another way
For me to open up to you
