

Believe in Me

Jamie Lidell

Laying with you and I wanna cry
Baby won't you dry your eyes?
Don't wanna keep thinking of all we could've been
Another ways I could've tried
I'm always afraid of you
and I put you through
Baby please let me try

Leaving me, no
How am I supposed to believe in myself?
How am I supposed to believe when I can see
You don't believe in me?

I think of the ways two sides
and all of the dreams that could've been real
If I was being there with me ??
Baby please don't make me cry!

Leaving me, no
How am I supposed to believe in myself?
How am I supposed to believe when I can see
You don't believe in me?

Believe in me,
Believe in me,
How am I supposed to believe in myself?
How am I supposed to believe when I can see
You don't believe in me?

You don't believe, you don't believe in me!
