

# Multiply

Jamie Lidell

Well showing as it used to be  
So hard  
This hard  
I used to get those kicks for free  
But now I'm towing the line  
Oooo

This ain't no way to be  
Stuck between my shadow and me  
Could it been the sun don't shine  
But I'll tell you that I'm doing fine

I Sometimes I don't go beating myself  
Beating myself up  
Gonna take a trip and multiply  
Please go under with a smile

Showin' how it used to be  
Real trouble  
So much trouble  
But love is just a shackle I see  
Coming out of my mind ooh...

This aint no way to be  
Just stuck between my shadow and me  
The sun's going down  
It's getting dark in here  
Still folks see:  
I got nothing to fear

People on the street  
There are many many  
People on the moon the're ain't any any  
Shame... yeah... ooh  
Running down the same old cold  
Taking it down 'cause I no congone

I'm so tired(x13)  
Sooooooo

I'm so tired over beating myself  
Beating myself up  
Wanna take a trip and multiply  
Please go under with a smile
