

What A Shame

Jamie Lidell

Gonna stop the conversation
Though I'm the king of hesitation
I always said that I would please you
I understand that we're in the danger
That's no way to treat you
I really hate the way I treat you
And I know everyday girl
And I think oh

What a shame, what a shame,
We'll just have to wait
What a shame, what a shame,
We'll just have to wait
Oh, what a shame

Ever since the day I met you
I've been following the leader
You're not my fan, not my teacher
So I accept the way I treat you
You make me feel like a stranger
You see I feel like I'm a stranger
Fear I know that we're in danger
And I think

What a shame, what a shame,
We'll just have to wait
What a shame, what a shame,
We'll just have to wait
Oh, what a shame

The wait, the shame, you know, oh, oh, oh, oh
Whoa

What a shame, what a shame,
We'll just have to wait
What a shame, what a shame,
We'll just have to wait
Oh, what a shame
What a shame, what a shame,
We'll just have to wait
What a shame, what a shame,
We'll just have to wait
Oh, what a shame.
