

Sleepover

Jamie Lynn Spears

You don't know me well enough to see me with my makeup off... Yet
But I'd bet you'd like my hair all messed up
If you can get through the night without my kiss
Then call me in the morning saying you missed me
When you wake up, maybe we could give this another shot

Cause I like that taking me out, treating me like a lady
While I'm figuring out do I want to be your baby?
Give me that old school dinner for two
You like the Stones? Well hey, me too
I ain't saying you ain't getting to me
Yeah, and I ain't saying I ain't feeling the heat
I ain't drunk and you ain't sober
Sure feels good here leaning on your shoulder
But this ain't no, This Ain't no
This ain't no, oh no, no.
This ain't no,
Sleepover.

I think love should take it slow
It's good to have have somewhere to go
When it's this electric
If we go too fast, then we might wreck this

That taking me out, treating me like a lady
While I'm figuring out do I want to be your baby?
Give me that old school dinner for two
You like the Stones? Well hey, me too
I ain't saying you ain't getting to me
And I ain't saying I ain't feeling the heat
I ain't drunk and you ain't sober
Sure feels good here leaning on your shoulder
But this ain't no, This Ain't no
This ain't no, oh no, no.
This ain't no,
Sleepover.

Cause I like that taking me out, treating me like a lady
While I'm figuring out do I wanna be your baby?
Give me that front porch goodnight kiss
Give me that look in your eyes like this
I ain't saying you ain't getting to me
And I ain't saying I ain't feeling the heat
I ain't drunk and you ain't sober
Sure feels good here leaning on your shoulder
But this ain't no, This Ain't no
This ain't no, oh no, no.
This ain't no,
Sleepover.
