

Caroline

Jamie N Commons

Raise me up
I've fallen so low
Too far from your eyes
Too far from your grace
Still you would ask more from me
And I break myself on your walls
Time again

Oh Caroline
Can't you hear me calling you
From the night
From the day
Calling you

Take these dreams quietly talking
Life I lay with these hands
Forcibly crying
Lay me down
Deftly I try so when will you rest on my soul
Never again

Oh Caroline
Can't you hear me calling you
From the night
From the day

Oh Caroline
Can't you hear me calling you
From the night
From the day
Calling you
