

Glory

Truth be told
I'm not the man I once was
But I also know
I'm not the man I once was
Search for signs between the lines
Of right and wrong
All the while it seems the angels are busy
Busy just singin' their song

And they're singin'!
Glory, glory, hallelujah
Glory, glory, hallelujah
Glory, glory, hallelujah

Truth be told
I feel broke down inside
[?]
Long years filled with hate
And nothing to show

Glory, glory, hallelujah
Glory, glory, hallelujah
Glory, glory, hallelujah
They're singin'!
Glory, glory, hallelujah
Glory, glory, hallelujah

Lead me out beyond my sorrows
Lead me out where I can't see
Sing glory hallelujah
Sing hallelujah for me
Sing hallelujah for me

Glory, glory, hallelujah
Glory, glory, hallelujah
Glory, glory, hallelujah
Glory, glory, hallelujah

Hear me out, you're my soul
Hear me out where I can't see
Sing glory hallelujah
Sing hallelujah for me
Sing hallelujah for me
