

# Let's Do It Till We Get It Right

Jamie N Commons

Lay me up, throw me down  
Throw my head, spin around  
Think above and think about  
Let's do it till we get it right, ah yeah

Gotta leave the money for a job  
And baby now I'm about to  
Now I'm working every night  
Let's do it till we get it right

Let's do it till we get it right  
Let's do it till we get it right  
Let's do it till we get it right  
Let's do it till we get it right

Oh count the days, count the ways  
She got me feeling I've been working at a county jail, all right  
Take your time, won't hurry ya  
Don't give away love, this is never enough

Well all right  
Well all right  
Well all right

Let's do it till we get it right  
Let's do it till we get it right  
Let's do it till we get it right  
Let's do it till we get it right

Let's do it, let's do it, let's do it  
Do it till we get it right  
Let's do it, let's do it, let's do it  
Do it till we get it right  
Let's do it, let's do it, let's do it  
Do it till we get it right  
Let's do it, let's do it, let's do it  
Do it till we get it right

I can't keep holding on  
Without you by my side (let's do it)  
I can't keep holding on  
Gotta get this right (let's do it)

(Let's do it, let's do it, let's do it  
Do it till we get it right  
Let's do it, let's do it, let's do it  
Do it till we get it right  
Let's do it, let's do it, let's do it  
Do it till we get it right  
Let's do it, let's do it)  
Do it till we get it right  
Do it till we get it right  
Do it till we get it right
