

## Worth Your While

Jamie N Commons

Picked a fine old time to think about leaving  
When I'm down on my knees and my heart keeps bleeding  
Well I got so low, yeah I was drillin through the bedrock  
Picked a fine old time to think about leaving

I'll make it worth your while  
Just bring it back to me  
Just bring it on home and turn your light on baby

Picked a fine old time to take a nervous swim (Yeah Yeah Yeah,  
Yeah!)  
Went down to the pawn shop and sold my ring (Yeah Yeah Yeah, Ye  
ah!)  
Well you broke the birds neck just to make it sing (Yeah Yeah Y  
eah, Yeah!)  
You know tonight, it ain't just a river (Yeah Yeah Yeah, Yeah!)

I'll make it worth your while  
Just bring it back to me  
Wont you bring it on home and turn your light on baby  
I'll make it worth your while  
That'll make you see  
Bring it on home and turn your light on baby

Make it worth your while now (Oooh)  
Make it worth your while now (Aaah)  
Make it worth your while now  
Bring it on back for me  
Make it worth your while now (Aaah Aaah Aaah)  
Make it worth your while now (Oooh Oooh Oooh Oooh)  
Wont you bring it on back to me yeah!!!

I'll make it worth your while  
Just bring it back to me  
Wont you bring it on home and turn your light on baby
