

## He Called Me Baby

Jan Howard

He called me baby baby all night long used to hold and kiss me  
till the dawn  
Then one day I awoke and he was gone now there's no more baby b  
aby all night long  
He called me baby baby all night long kissed my tears away when  
things went wrong  
What I'd give if he'd just come back home and call me baby baby  
all night long

He called me baby baby all night long build me up so high and m  
ade me strong  
Now each time in dreams just like a song I still hear baby baby  
all night long
