

## Someday We'll Be Together

Jan Howard

Someday we'll be together say it say it say it again  
Someday we'll be together yes we will yes we will

You're far away from me my love  
But just as sure my baby as there are stars above

(Mhm) someday we'll be together yes we will yes we will  
Someday we'll be together yes we will I know we will

My love is yours baby right from the start  
You possess my very soul and I know I know you own my heart

(And I know that) someday we'll be together yes we will yes we  
will

Someday we'll be together yes we will I know we will  
A long time ago I made a big mistake and I said goodbye  
Ever since that day all I wanna do is sit and cry

I long for you every night just to kiss your sweet sweet lips a  
nd hold you so tight

Mhm someday we'll be together say it say it say it again  
Someday we'll be together say it say it say it again  
Someday we'll be together say it say it say it again  
Someday we'll be together yes we will
