

# Time

Jan Howard

Some people walk some people crawl some people don't even move  
at all  
Some roads lead forward some roads lead back  
Some roads are bathed in white some wrapped in fearful black  
Time oh time where did you go time oh good good time where did  
you go

Some people never get some never give some people never die and  
some never  
Live  
Some folks treat me mean some treat me kind  
Most folks just go their way don't pay me any mind  
Time oh time where did you go time oh good good time where did  
you go

Sometimes I'm satisfied sometimes I'm not  
Sometimes my face is cold sometimes it's hot  
Sunset I laugh sunrise I cry midnight I'm in between and wonder  
ing why  
Time oh time where did you go time oh good good time where did  
you go
