

## Angel's Eyes

Jan Wayne

On a cold and lonely morning  
Rain clouds over my head  
Gloomy memories in mind  
No way seems to lead out  
Then suddenly a shine came through  
Rainbow high in the sky  
There he was dressed in blue  
I never had a doubt  
When I looked into angel's eyes  
My heart started burning  
When I looked into angel's eyes  
My mind got yearning  
When I looked into angel's eyes  
My heart started burning  
When I looked into angel's eyes  
The world began turning  
His black hair blowing in the wind  
Oh what a sunny smile  
He took me by the hand and he said  
Come with me to the stars
