

It's So Easy

Jana Kirschner

It's so easy to say how much I love you
It's so easy to say how much I care
Words can flow how easily I can't explain
It's so easy when you feel the same

Ooo-ooo, I love you
Ooo-ooo, I do

It's so easy to say how much I love you
My words feel the space and then disappear
Disappear like the echo that never comes back again
It's so easy when you feel the same

Ooo-ooo, I love you
Ooo-ooo, I do

Do you feel the same?

Ooo-ooo, I love you
Ooo-ooo, I do

But the words that you say to me
Make me cry...

But what I want to tell you now
And I love you, baby
