

The Sentimental Love Song

Jana Kirschner

This is a sentimental lovesong
do you know what I'm feeling now.
I know, it's not poetry you wait for
the simply words I can hide.

This is a sentimental love song,
and these words make me new.
I know, this could be the story
reading aloud in my room.

R: This is it
This is love
What I'mfeeling, no no no no
This is it
Loving strong
when you're here
This is it
This is love
What I'mfeeling, no no no no
This is it love is strong
when you feel this

This is a sentimental love song
do you really care what I do,
I know, this could be the moment,
when I'm alone feeling blue.

R:

When you feel the rain ..
When you feel the rain ..
When you feel the rain ..
