

# You're My Man

Jana Kirschner

**F#mi Bmi**

You Are my man  
I am your woman.  
things we ever had  
They're just between us...

You Are my man  
I am your woman.  
Love has disapeeared but  
I am still behind you...

**Bmi F#mi Es**

R: I shut down your dream

**F#mi Bmi**  
or please try to give me

**Bmi F#mi Es**

You .. so far away...

**F#mi Bmi F#mi**  
But I am still waiting...

You Are my man  
and I am your woman.  
Love has disapeeared but  
I am still behind you...

R:

**Bmi F#mi**

.. still waiting...

R: I shut down your dream  
or please try to give me  
You .. so far away...  
But I ..

.. Keep the evil from our door...

R:

.. but I'm still waiting
