

# Love

Jana Kramer

I still believe in fairy-tales  
I still believe in picking flowers  
I still believe in getting lost in someone's eyes  
And talking for hours  
I still believe in shooting stars  
I still believe in midnight drives  
And butterflies you give right before you kiss  
For the very first time

Love how many times can our heart break?!  
Love how much awake can soul take?!  
Love I don't know where you ran off to!!  
But love love love  
I still believe in you!

I still believe in miracles  
I still believe in wedding rings and bibles  
I still believe the best walk you'll ever take is  
Walking down the isle

Love how many times can our heart break?!  
Love how much awake can soul take?!  
Love I don't know where you ran off to!!  
But love love love  
I still believe in you!  
Yeah, I still believe in you!

I still believe that you'll come knocking on the door  
When I'd least expect it to,  
You give me something I can hope  
You pull me through, cause that's what you do  
That's what you do love  
That's what you do love

Love how many times can our heart break?!  
Love how much awake can soul take?!  
Love I don't know where you ran off to!!  
But love love love  
Ooh love love love,  
I still believe in you!  
I still believe in you!  
Yeah I still believe in you!
