

Second Chances

Jana Kramer

[Verse 1: Jana Kramer]

You're the letter I never sent
The call I never made
So this time of year i disappear and pretend that i'm okay
But there's a dream that just won't leave
And a heart that just won't heal
So this might be the only way to tell you how I feel

[Chorus: Jana Kramer & Kristian Bush]

I spent one too many Christmas nights without you
Too many New Year's Days, wonderin' about you
If I could make just one wish before tonight passes
Then I wish Christmas would give us second chances

[Verse 2: Jana Kramer]

How can I be lost when I don't know where I'm going?
How can I fix what I didn't know was broken?
Why am I homesick when I'm home?
How can I move when I move on?
And when I am so far away
Be right where i belong

[Chorus: Jana Kramer & Kristian Bush]

I spent one too many Christmas nights without you
Too many New Year's Days, wonderin' about you
If I could make just one wish before tonight passes
Then I wish Christmas would give us second chances

[Bridge: Jana Kramer & (Kristian Bush)]

If it's a heart that makes a house
Not the walls of the woods (walls of the woods)
Wherever you are is my home
Wouldn't change it if i could

[Chorus: Jana Kramer with Kristian Bush]

I spent one too many Christmas nights without you
Too many New Year's Days, wonderin' about you
If I could make just one wish before tonight passes
Then I wish Christmas would give us
I spent one too many Christmas nights without you
Too many New Year's Days, wonderin' about you
If I could make just one wish before tonight passes
Then I wish Christmas would give us second chances
