Yeah the rain came I said hey buddy, Buddy the streets are a snake skin I belong Out there walkin' Nobody's stoppin' to bother me They hide Outside, the ceilings Cryin -Listen to the sound Of the gutters runnin' Wash this dirty town All fronts and no backs Give me my time Let me be Outside Under the ceiling Cryin' Yeah, all over me Cryin' Yeah, all over me

Outside you know
I listen to the sounds
Of the gutters runnin
Wash this dirty town
All fronts and no backs
Give me my time
Let me be
Outside
Under the ceilings
Cryin'
Yeah, all over me
Cryin'
Yeah, all over me
