

Christmas Kiss

Janet Devlin

Dear mister Santa Claus
I'm writing you this letter cause
There's something I want
And I thought you should know
There's something I need
And no it's not snow
And oh oh oh
I'm sure that you're busy
So I won't take to long
And oh oh oh
I wrote you this letter
So you don't get it wrong

Oh mister saint Nick
A brand new Ferrari
Just won't do the trick
Oh Christopher Kringle
On Christmas this girl
Is 4 years single
I don't want to ask twice
A Christmas kiss would be nice

I know all of the little boys
They only ask for gifts and toys
But I'm not like those other girls
I don't need no dolls and I don't need no pearls
And oh oh oh
I hope that you listen
Cause this year is different
And oh oh oh
There's a piece that I'm missing
So I'll keep on wishing

Oh mister saint Nick
A brand new Ferrari
Just won't do the trick
Oh Christopher Kringle
On Christmas this girl
Is 4 years single
I don't want to ask twice
A Christmas kiss would be nice

Cause I've been a good girl
All year long
I listened like you told me
And I haven't done wrong
I won't misbehave
If you turn up on time

Oh mister saint Nick
A brand new Ferrari
Just won't do the trick
Oh Christopher Kringle
On Christmas this girl
Is 4 years single

I don't want to ask twice

A Christmas kiss would be nice
