

# I Lied to You

Janet Devlin

If you want to go  
I understand  
Sorry I'm so scared  
You're stronger than I am  
You'll lose your mind  
Trying to find mine  
If you want to leave me now  
I understand

What can I say?  
What can I do?  
When all's been said and done  
Well you know that I lied to you

Don't look at me  
I can't see you  
Don't hold my hand too tight  
I might tell the truth

What can I say?  
What can I do?  
When all's been said and done  
Well you know that I lied to you

You made the flowers  
Grow in my lungs  
And though they are beautiful  
I'm struggling to breathe

What can I say?  
What can I do?  
When all's been said and done  
Well you know that I lied to you

What can I say?  
What can I do?  
When all's been said and done  
Well you know that I lied to you  
Guess it's true that I lied to you  
And I'm sorry I lied to you
