

Something Beginning With Christmas

Janet Devlin

I spy with my little eye
Something beginning with Christmas
I spy with my little eye
Something beginning with "C"

T'was the run-up to Christmas
And all through the house
All the creatures were stirring
Yeah even the mouse

And so do decorate the hall with bells and boughs
We're feeling more festive now
Hanging decorations up on the tree
It's looking like Christmas to me

And oh I spy with my little eye
Something beginning with Christmas
And oh I spy with my little eye
Something beginning with
C-H- R-I- S-T- M-A- S
C-H- R-I- S-T- M-A- S
It's looking like Christmas to me
Yeah something beginning with "C"

Oh the hustle and bustle
Of the last minute shop
Trying hard to remember
All the gifts we forgot
The way to find is fine
If one is now tradition
It makes us feel festive now
Close your eyes and count 1-2- 3
It's looking like Christmas to me

And oh I spy with my little eye
Something beginning with Christmas
And oh I spy with my little eye
Something beginning with
C-H- R-I- S-T- M-A- S
C-H- R-I- S-T- M-A- S
Seeming like Christmas to me
Yeah something beginning with "C"

The holidays are coming
Can you feel them coming?
It's Christmas, It's Christmas
The holidays are coming
Can you feel them coming?
It's Christmas, It's Christmas

And oh I spy with my little eye
Something beginning with Christmas
And oh I spy with my little eye
Something beginning with "C"
