

Empty

Janis Ian

I took a ride down memory lane tonight
and every couple I passed by
made me wonder why,
oh why, oh why
did I make you cry
or ever let you go
Now I'm empty without your love
Like that big old moon,
I'm lost in the stars above
While the lovers laugh and life goes by
I sit alone in my room and cry
Empty without your love
I said a thing or two that I can't take back
I know it hurt you deep inside
You walked away and cried
and cried and cried
while I tried to hide
behind my foolish pride
Now I'm empty without your love
Like that big old moon,
I'm lost in the stars above
While the lovers laugh and life goes by
I sit alone in my room and cry
Empty without your love
I keep trying to say I'm sorry
But you're always in such a hurry
Baby baby look into my eyes
Maybe you will realize
That I'm empty without your love
Like that big old moon,
I'm lost in the stars above
While the lovers laugh and life goes by
I sit alone in my room and cry
Empty without your love
Yes I'm empty without your love
Empty without your love
