

Pleasing To You

Jared Anderson

Sanctify me
Clean out my closet
Take away anything
That is not pleasing to You

Purify me
Destroy all my anger
Wash away everything
That is not pleasing to You

I will be white as snow
I will be pure as gold
Jesus, my heart must know
I'm pleasing to You

I give my life, my all
Taking the cross I will follow
Jesus, my heart must know
I'm pleasing to You

Sanctify me
You are the light to guide me
To the place where I am
Only if pleasing to You

Purify me
I need your light inside me
So the darkness flees
I can be pleasing to You

So come make me white as snow
Lord make me pure as gold
Jesus, my heart must know
I'm pleasing to You

I give my life, my all
Taking the cross I will follow
Jesus, my heart must know
I'm pleasing to You
Jesus, my heart must know
I'm pleasing You
