

# Hangover

Jared Evan

I think I'm in trouble baby. How the f\*ck did I end up here?  
Got me feeling kind of lazy. I can't even think or see clear

No, I don't know where things went wrong  
How could I be so blind?  
The only way to figure it out is if we could just rewind  
Where were you when I needed you?  
Where were you when I needed you?

I think I'm hungover again. Must've been drunk off your love  
I don't want to black out again. Never know where I end up  
Never know where I end up. Never know where I end up

How sick you make me, but I'm addicted to your poison  
Why does your love intoxicate me? It doesn't matter because it'  
s awesome

No, I don't know where things went wrong  
How could I be so blind?  
The only way to figure it out is if we could just rewind  
Where were you when I needed you?  
Where were you when I needed you?

I think I'm hungover again. Must've been drunk off your love  
I don't want to black out again. Never know where I end up  
Never know where I end up. Never know where I end up
