1. You're cold that way

A2 Cmaj7

And that's why you say

A2 Bsus

The things that you say

Cmaj A2 Cmaj7

You can't attract

A2 Cmaj7

The things that you lack

A2 G D/F#

You're trying in vain

E C G D/F# E

R: It seems it's always the crazy times

C G Am E

You find you'll wake up and realize

C G D/F# Bsus

It takes more than your saline eyes

B7sus

To make things right

2. You spiral down

You've broken your crown

You don't feel like a queen

You've seen the proof

But you're still crying wolf

You'll never believe

C7

You try to climb a broken ladder

Grip the missing rungs

Emi Dsus/F# Emi/G Am

And fall down, down, down, down,

C7

Seems sometime ago you said

This wouldn't last

Bsus B7sus

And now you sit here crying (Ya-e-yea-a-ah!)

Cmaj7 A2 Cmaj7

Beside your bed

A2 Cmaj7

You feel left for dead

A2 G D/F#

You kneel in the dark...

E C G D/F# Bsus

It takes more than your saline eyes

B7sus

To make things right
