

Goodbye, Goodnight

Jars of Clay

A flower for your vanity, a penny for your thoughts
About the world's insanity and how we've gotten lost
Strike up the band to play a song as we go waltzing by
And fake a smile as we all say goodbye

Goodbye, oh goodbye

Say a prayer for recognition, kiss the ones you love
Gather up the ammunition, sigh for all the lost
Strike up the band to play a song as we go waltzing by
And fake a smile as we all say goodbye

Raise a glass for ignorance, drink a toast to fear
The beginning of the end has come that's why we all are here
Strike up the band to play a song and try hard not to cry
And fake a smile as we all say goodbye
Goodbye
