

Almost Lover

Jasmine Thompson

Your fingertips across my skin
The palm trees swayin' in the wind
Images
You sang me spanish lullabies
The sweetest sadness in your eyes
Clever trick
I never want to see you unhappy
I thought you'd want the same
For me

Goodbye my almost lover
Goodbye my hopeless dream
I'm trying not to think about you
Can't you just let me be
So long my luckless romance
My back is turned on you
Should've known you'd bring me heartache
Almost lovers always do

We walked along a crowded street
You took my hand and danced with me
Images
And when you left you kissed my lips
You told me you'd never ever forget these
Images
No
But I never want to see you unhappy
I thought you'd want the same
For me

Goodbye my almost lover
Goodbye my hopeless dream
I'm trying not to think about you
Cant you just let me be?
So long my luckless romance
My back is turned on you
Should've known you'd bring me heartache
Almost lovers always do

I cannot go to the ocean
I cannot drive the streets at night
I cannot wake up in the morning
Without you on my mind
So now your gone and I'm haunted
And I bet your just fine
Did I make it that easy
To walk right in and out of my life

Goodbye my almost lover
Goodbye my hopeless dream
I'm trying not to think about you
Cant you just let me be
So long my luckless romance
My back is turned on you
Should've known you'd bring me heartache
Almost lovers always do
