

# The Days

Jasmine Thompson

Under the tree where the grass don't grow  
We made a promise to never get old  
You had a chance and you took it on me  
And I made a promise that I couldn't keep

Heart ache, heart break  
All over town  
But something flipped like a switch when you came around  
And I'm in pieces, pick me up and put me together

These are the days we've been waiting for  
On days like these who could ask for more?  
Keep them coming 'cause we're not done yet  
These are the days that we won't regret  
These are the days that we won't forget

Out on the midnight the wild ones howl  
The last of the lost boys have thrown in the towel  
We used to believe we were stars aligned  
You made a wish and I fell out of time

Time flew, cut through  
All over town  
You made me bleed when I look up and you're not around  
But I'm in pieces, pick me up and put me together

These are the days we've been waiting for  
On days like these who could ask for more?  
Keep them coming 'cause we're not done yet  
These are the days that we won't regret  
These are the days that we won't forget

These are the days we've been waiting for  
Rattle the cage and slam that door  
World is calling us but not just yet  
These are the days that we won't regret  
These are the days that we never forget

And these are the days  
And these are the days  
And these are the days  
These are the days we won't forget
