

# Love's Not Done With You

Jason Gray

They say nothing really shuts you down  
Quite like shame, it kicks you when you're on the ground  
Even with your good intentions  
You always seem to lose against it  
But love is taking it away now

It's not what you've done, it's what His love is doing  
It's not who you were, it's who you are becoming  
Have you heard that He makes all things new  
I believe His love's not done with you

They say people never really change  
But I, I don't really feel that way  
Everything's redeemable  
The God I know is capable  
And this is a new day

It's not what you've done, it's what His love is doing  
It's not who you were, it's who you are becoming  
Have you heard that He makes all things new  
I believe His love's not done with you

Hey, love has conquered all your shame  
I know you got things that you regret  
But your story isn't over yet  
It doesn't matter where you've been, don't forget

It's not what you've done, it's what His love is doing  
It's not who you were, it's who you are becoming  
Have you heard that He makes all things new  
I believe His love's not done with you, no no  
His love's not done with you

Have you heard that He makes all things new  
I believe His love's not done with you, no no
