## **Cover Me Up**

## Jason Isbell

A heart on the run keeps a hand on the gun you can't trust anyo ne

I was so sure what I needed was more tried to shoot out the sun Days when we raged, we flew off the page such damage was done But I made it through, cause somebody knew I was meant for some one

So girl, leave your boots by the bed we ain't leaving this room Till someone needs medical help or the magnolias bloom It's cold in this house and I ain't going out to chop wood So cover me up and know you're enough to use me for good

Put your faith to the test when I tore off your dress in Richmo nd on high

But I sobered up and I swore off that stuff forever, this time And the old lovers sing "I thought it'd be me who helped him ge t home"

But home was a dream, one I'd never seen till you came along

So girl, hang your dress up to dry we ain't leaving this room Till Percy Priest breaks open wide and the river runs through And carries this house on the stones like a piece of driftwood Cover me up and know you're enough to use me for good

So girl, leave your boots by the bed we ain't leaving this room Till someone needs medical help or the magnolias bloom It's cold in this house and I ain't going out to chop wood So cover me up and know you're enough to use me for good Cover me up and know you're enough to use me for good
