

## I Want You to Know

Jason Michael Carroll

My heart is rising  
faster than the speed  
I'm supposed to drive  
Tears falling down my face  
and I'm praying he is all right

Running stop sings  
Passing cars on double yellow lines  
No one to tell me where he is  
and whats burning through my mind

I'm sorry for anything I've done to hurt you  
and I'm sorry for the ways I made you cry  
I'm sorry I miss any chance to tell you  
I'm so glad that I have you in my life

So I ran screaming  
I have to park the car a mile away  
with does who like me  
don't know what happen here today

Try to find him  
Seeing others who just got the news  
why did it have to come to this  
to see what I have to lose

I want you to know how much I love you  
and I'm sorry for those times you couldn't tell  
I hope you know how much you mean to me  
the thought of losing you is leaving hell

Terrify of what I find when I walk into the room  
Full of cruz for little lives and dreams big as the moon  
I felt to my knees when I hear a voice that I know said:  
"Hey daddy here I'm and I'm okay"  
With tears fell as I said what I couldn't wait

I'm sorry for anything I've done to hurt you  
and I'm sorry for the ways I made you cry  
I'm sorry I miss any chance to tell  
I'm so glad that I have you in my life

and I want you to know how much I love you  
and I'm sorry for those times you couldn't tell  
I hope you know how much you mean to me  
the thought of losing you is leaving hell  
the thought of losing you is leaving hell
