

# No Lies

Jason Reeves

I understand you never had someone to follow  
I know you always said you'd find it your own way  
You keep your feelings safe like letters in a bottle  
Hoping that they'd wash up on my shore someday

Don't make me wait  
I see something hiding inside you  
Secrets you are dying to say  
I know you're afraid

But if you want me  
Never to leave you  
Tell me no lies, no lies, no lies  
Just tell me no lies

Not stranger to the wonders of your silence  
I wanna be there when the walls are fallin' away  
So I can see you're all are the things that make me love you  
Just a smile, simple smile on your face

Don't make me wait  
I see something hiding inside you  
Secrets you are dying to say  
I know you're afraid

But if you want me  
Never to leave you  
Tell me no lies, no lies, no lies  
Just tell me no lies  
Just tell me no lies, oh

Truth will give you wings  
But they won't set you free  
Slow leaves

Don't make me wait  
I see something hiding inside you, hey  
Secrets you are dying to say  
I know you're afraid

But if you want me  
Never to leave you  
Tell me no lies, no lies, no lies  
Just tell me no lies

(Tell me all the lies)

Just tell me no lies

(Tell me, tell me, tell me)

Ou, ou, ou  
Ou, ou, ou, ou, ou, ou, ou, oh

(No, no, tell me)

No, no

Ou, ou, ou

(No, no, no)

Ou, ou, ou, ou, ou, ou, ou, ou

No, no

Ou, ou, ou

Ou, ou, ou, ou, ou, ou, ou, ou

Didn't I tell you

Ou, ou, ou

Ou, ou, ou, ou, ou, ou, ou, ou
