

# The New World

Jason Robert Brown

A new world calls across the ocean  
A new world calls across the sky  
A new world whispers in the shadows  
Time to fly, time to fly

It's about one moment  
The moment before it all becomes clear  
And in that one moment  
You start to believe there's nothing to fear  
It's about one second  
And just when you're on the verge of success  
The sky starts to change  
And the wind starts to blow  
And you're suddenly a stranger  
There's no explaining where you stand  
And you didn't know  
That you sometimes have to go  
'Round an unexpected bend  
And the road will end  
In a new world

A new world calls for me to follow  
A new world waits for my reply  
A new world holds me to a promise  
Standing by, standing by

It's about one moment  
That moment you think you know where you stand  
And in that one moment  
The things that you're sure of slip from your hand  
And you've got one second  
To try to be clear, to try to stand tall  
But nothing's the same  
And the wind starts to blow  
And you're suddenly a stranger  
In some completely different land  
And you thought you knew  
But you didn't have a clue  
That the surface sometimes cracks  
To reveal the tracks  
To a new world

You have a house in the hills  
You have a job on the coast  
You find a lover you're sure you believe in  
You've got a pool in the back  
You get to the part of your life  
You hold the ring in your hand

But then the earthquake hits  
And the bank closes in  
Then you realize you didn't know anything  
Nobody told you the best way to steer  
When the wind starts to blow

And you're suddenly a stranger (All of a sudden)  
You life is different than you planned

And you'll have to stay 'til you somehow find a way  
To be sure of what will be  
Then you might be free

A new world crashes down like thunder  
A new world charging through the air  
A new world just beyond the mountain  
Waiting there, waiting there

A new world shattering the silence  
There's a new world I'm afraid to see  
A new world louder every moment  
Come to me, come to me
