

Chop Down The Tree

Jason Upton

How great are God's signs
Mighty are His wonders
His Kingdom has no end
Through all generations

A tree so tall it was visible to all
Fruit so abundant
The birds and beasts lived under it

A holy one said
A holy one said
A holy one said
A holy one said

Chop down the tree
Strip off and scatter all the fruit
Chop down the tree
Let the birds and beasts flee

For I am God no kingdom comes above me
For I am God no Kingdom comes above me
For I am God no Kingdom comes above me
