

In Your Presence

Jason Upton

Father I am waiting
I need to hear from You
to know that You're approving
of what I say and do

cause nothing really satisfies
like when You speak my name
so tell me that You'll never leave
and everything will be ok

In Your presence
all fear is gone
in Your presence
is where I belong

Father I'm returning
the things I used to do
cause somewhere on the journey
I think I lost hold of the truth
