

Shadow of your wings

Jason Upton

Verse 1

I've Been Running Trying To Find Me Refuge
Never Stopping Long Enough To See
All The While You Were Right There Waiting
To Hide Me In The Shadow Of Your Wings

Chorus

Under The Shadow
Under The Shadow
Under The Shadow Of Your Wings
I Will Find My Rest
Under The Shadow
Under The Shadow
Under The Shadow Of Your Wings
I Will Find My Rest

Verse 2

I Get So Thirsty Trying To Find Your Pressence
That I Forget To Stop And Take A Drink
All The While You Are Right There Wanting
To Pour Your Healing Water Over Me

Chorus

Under The Shadow
Under The Shadow
Under The Shadow Of Your Wings
I Will Find My Rest
Under The Shadow
Under The Shadow
Under The Shadow Of Your Wings
I Will Find My Rest
In You
