

# I Won't Go Quietly

Jason Walker

Hold me down, but I won't shut my mouth  
You can't bury me, you can't bury me  
Draw the line, go on and stare me down  
Like an enemy, like an enemy

If this is what you're startin'  
I hope it's what you're wantin'  
'Cause there's no turnin' back from me

I won't go quietly  
I won't go quietly  
I won't go quietly  
I won't go quietly

Now you see, devil you woke up  
How you like me now? How you like me now?  
Terrified 'cause you know what you've done  
I ain't goin' down, no I ain't goin' down

If this is what you're startin'  
I hope it's what you're wantin'  
'Cause there's no turnin' back from me

I won't go quietly, no  
I won't go quietly  
I won't go quietly  
I won't go quietly

If you're comin' to get it  
Oh, I hope that you're ready  
'Cause this is the end  
The end of everything  
Comin' to get it  
Oh, I hope that you're ready  
'Cause this is the end  
The end of everything

I won't go quietly, no  
I won't go quietly  
I won't go quietly  
I won't go quietly

(I won't go quietly)  
If you're comin' to get it  
Oh, I hope that you're ready  
(I won't go quietly)  
'Cause this is the end  
The end of everything  
(I won't go quietly)  
Comin' to get it  
Oh, I hope that you're ready  
(I won't go quietly)  
'Cause this is the end  
The end of everything
