

# House Work

Jax Jones

[Verse - Mike Dunn & MNEK] (x3)

I call it house work (Woop)

Cause it's light work (What you, what you gon' do?)

Imma throw shapes, feeling the bass, 'til my feet hurt

I call it house work (Woop)

Cause it's light work (What you, what you gon' do?)

Imma throw shade, if I don't get paid for this housework

[Breakdown - Mike Dunn] (x5)

Imma throw shapes

[Bridge - MNEK]

Would you come along

oh with my friends

and to leave, I'm working

every weekend
