

Feature

Jay Park

I need a Cha Cha beat boy

Alright alright baby you're the baddest
And you got me worked up ready to be a savage to ya
I've been waiting patiently for you to take it off
I know you didn't come just to drink all of my cabernet
Hope what's on my mind is on your mind
Just let it marinate
Don't wanna waste no time
I know I wanna be inside, oh yeah
What I wanna do yeah
Wanna grab you by your booty
Hey girl let's shoot a movie
Baby you know

Once we get started I can go on and on
And you'll be hitting all them high notes featuring on my song
And it's like duh duh duh doo
Me and you are music making duh duh duh doo
Sexual collaboration
Harmonizing with your body
This gon' be your favorite song

[Cha Cha Malone:]

Alright alright deeper than 10,000 leagues
But I'ma take you higher, higher than them Cali trees
I'mma be the one make you forget 'em all
All these niggas try to 1-up me
But you don't take them calls
They ain't getting' to you nah
No feature from you nah
You're singing only for me yeah
And you know I feel like a winner
Every time I'm on you babe, on you babe
Oh yeah
What I wanna do yeah
Wanna grab you by your booty, your booty
Lay it on me lay it on me, lay it on me

Once we get started I can go on and on
And you'll be hitting all them high notes featuring on my song
And it's like me and you are music making
Sexual collaboration
Harmonizing with your body
This gon' be your favorite song
