

I'm Alright

Jean Shepard

I'm alright (I'm alright) I'm alright (I'm alright)
I'm a little bit red in the eyes a little bit hurt in the heart
A little bit weary in the soul but I'm alright (I'm alright) I'
m alright

You mean I'm worth the dime it took to call me on the phone
Since when are you concerned about the way things are here at h
ome
We're doing just fine without you thank you me and the dog and
the cat
I don't care what you're doing and I careless where you are at
Cause I'm alright (I'm alright)...

The winds stay through December and that groceries on the shelf
You're not here to take care of me so I'm taking a care of myse
lf
No I haven't got a job but I got a friend who does
I know that don't sound much like me but I'm not the gal that I
was
I'm alright (I'm alright)...
