

We Could

Jean Shepard

If anyone could find the joy
That true love brings a girl and boy
We could, we could
You and I

If anyone could ever say that
Their true love was here to stay
We could, we could
You and I

When you're in my arms
I know, you're happy to be there
And just as long as I'm with you
I'm happy anywhere

If anyone could pray each night and thank to Lord
'Cause all is right
We could, we could
You and I

When you're in my arms
I know, you're happy to be there
And just as long as I'm with you
I'm happy anywhere

If anyone could pray each night and thank to Lord
'Cause all is right
We could, we could
You and I
