

You Win Again

Jean Shepard

The news is out all over town
That you've been seen out runnin' round
I know that I should leave
But then I just can't go, you win again
This heart of mine could never see
What everybody knew but me
Just trusting you was my great sin
What can I do, you win again

I'm sorry for your victim now
Cause soon her head like mine will bow
She'll give her heart but all in vain
And someday say you win again
You have no heart, you have no shame
You take true love and give the blame
I guess that I should not complain
I love you still, you win again
